#### **EVENT INFORMATION**

In less than 30 minutes after the opening of registration, the **20th Anniversary Texas Conference for Women** sold out, recording the fastest sell-out time in the Conference's history. More than 7,500 attendees are registered to attend the event on Thursday, Oct. 24, 2019. The theme for this year's conference is: "The Power of Us: Amplify Your Voice."

In response to growing demand, Conference organizers added the **Opening Night** event to extend its offerings to a wider audience and provide the CFW community access to programming at a lower price point.

Tickets are also still available for the **Opening Night** event, which will take place the day before the Conference at the Austin Convention Center on Oct. 23 from 5 to 9 p.m. Opening Night was added by conference organizers and is designed to bring Conference offerings to a wider audience. A live performance by local blues hero Jackie Venson is part of the Opening Night event, along with a presentation by Conference keynote speaker and author of Eat, Pray, Love, Elizabeth Gilbert .

**ABOUT THE TEXAS CONFERENCE FOR WOMEN**

---

The Texas Conference for Women has been at the forefront of women in the workplace issues since 2000 –attracting more than 107,000 participants and featuring pioneering women CEOs, National Book Award-winners, Nobel Laureates, Olympians, global nonprofit leaders, and hundreds of other trailblazers.

The nonpartisan, nonprofit event is part of the largest network of women’s conferences in the country. It was also the subject of a study published last year in the Harvard Business Review, which found that participants are twice as likely to be promoted and three times as likely to receive a raise within one year of attending.

This year’s special anniversary Conference – themed “The Power of Us: Amplify Your Voice” – is expected to attract more than 7,500 attendees and will continue to offer access to some of the most successful women in America.
